X1 38. [] LIAISON Met with David Bushong, Senate Select Committee on Intelligence staff, and Bill Miller, Committee Staff Director, regarding cables I delivered regarding drug trafficking in Panama. Bushong asked me about certain sanitizations from the cables. I assured him, after checking with DDO, that the sanitizations were not additional references. He did, however, request two cables that were referenced in one of those delivered today. I also discussed with him his previous request for ratings and instructions on intelligence. He told me the specific ratings needed were on reports sent to the Committee by the 10 October 1977 letter from []

[] LIAISON Met with Angelo Codevilla, Senate Select Committee on Intelligence staff, and asked him about the session I heard he had set up about terrorism with [] I reminded Codevilla that this sort of request had to come through OLC. However, after checking, I confirmed the meeting for 2:00 p.m. tomorrow. Codevilla, Stan Taylor, Abram Shulsky and Catherine Essoyan, also of the Committee staff, will be participating.

X1 40. [] LIAISON Met with Stan Taylor, Senate Select Committee on Intelligence staff, who said he would review, tomorrow, documents previously assembled for him by [] CSS/NFAC, on Soviet detection of nuclear submarines. We tentatively agreed for him to meet with NFAC analysts on this subject on the afternoon of 14 February.

X1 41. [] LIAISON Met with Don Sanders, Senate Select Committee on Intelligence staff, who gave me a copy of relevant portions of his trip report on tours of [] in December. He asked me to limit dissemination within the Agency on the report as much as possible and I agreed. Sanders asked me about his request of earlier this week for [] for a prospective Senate Ethics Committee secretary. []
